

LETTER SUPPORTING BURTON HEARING REQUEST

The Honorable (Congressperson's Last Name)

I have learned that Congressman Dan Burton (R-IN) recently sent a letter to Congressman Michael Bilirakis (R-FL), the Chairman of the Health Subcommittee of the Energy and Commerce Committee, requesting a Subcommittee mark-up on H.R. 2085, the Access To Medical Treatment Act (AMTA) at the earliest convenient time.

I strongly support the AMTA legislation and the need to allow patients easier access to life-saving medical treatments that are not yet approved by the Food and Drug Administration, while maintaining important safeguards. As a former and/or current sponsor and supporter of AMTA legislation, and as a member of the Health Subcommittee and full Energy and Commerce Committee, I would hope that you would want to sign on as a cosponsor of H.R. 2085. I would also hope that you will seriously consider registering your personal support for the Burton request with the Chairman and/or Ranking Member of the Subcommittee.

Sincerely
